

SCHOLARSHIPS & AWARDS

Post-secondary education is a great investment, but it still costs money. Here are links to potential funding sources, including federal/provincial student loans (which you have to pay back over time) and scholarships (which you don't have to pay back).

Government Loans, Scholarships

The federal and provincial governments work together to provide financial assistance to post-secondary students, including loans and grants for both full-time and part-time students. Assistance is meant to supplement, not replace, other resources such as your own savings, help from your parents or family and student awards. Learn more here:

Apply early—a higher volume of loan applications, email and telephone inquiries means it may take longer to process a loan application.
